## GEOCACHE SAINT NICHOLAS

The beautiful church of Lech is officially called „Pfarrkirche St. Nikolaus“. It characterizes the townscape of Lech like no other building. No matter which historical picture is found, the church in the middle of the village has always been the center of Lech am Arlberg. Therefore we have dedicated a winter geocache to this important building. Take a walk through the town, note down all necessary information and with a little bit of luck you will find our hidden winter geocache. For all young collectors an extra reward is waiting at the Lech Zürs Tourism Office. Happy hunting! You can find everything about geocaching in Lech Zürs at [www.lechzuers.com/geocaching](http://www.lechzuers.com/geocaching)

## HORSE-DRAWN SLEIGH RIDES
