

# Visiting Vorarlberg safely

Wash and disinfect your  
hands regularly

Mouth-nose protection  
in all indoor public spaces

Be tested, vaccinated or  
recovered and register  
your contact details

Always be sure to keep  
a minimum distance

If there is a suspicious  
case call the health  
hotline:

**1450**

Our Covid-19 officer monitors  
the implementation of the  
prevention and hygiene concept  
and informs our guests
