WINTER FUN

Private Luxury Moments

Mountains. Time. Space. Especially in difficult times such as these, Lech Zürs' core values are more important than ever. The mountain village was awarded the title "most beautiful community in Europe" by the Entente Florale Europe 2004 and is one of the 13 elite "Best of the Alps" most traditional Alpine destinations. For over a century, it has been magically attracting skiing enthusiasts to its mountain world.

But it has so much more to offer: Those who don't fancy a thrilling ski or powder runs will discover plenty of enchanting alternatives in Lech Zürs. While cross-country skiing in Lech Zürs, you'll find time and space to reflect on the essentials. During a winter hike, rediscover the fantastic landscape in an extra special way. Gourmets will be impressed by the quality of the award-winning restaurants in the Arlberg region. The fact that Lech Zürs is also referred to as "World Gourmet Village" bears testimony to that. Apart from its variety of offers, guests in the Arlberg region enjoy one thing above all else: the breath-taking mountain landscape which surrounds Lech Zürs like a protective wall, deflecting the hustle and bustle of everyday life. This makes it easier to take a deep breath and relax. The mountains give back time and space.

Due to the current situation, information may change during the 2021/22 winter season. Thank you for your understanding.

Your holiday from A to Z

Key information from A to Z:
your guide to all the addresses and contact details you
might need during your holiday.

JEDERZEIT IN BESTEN HÄNDEN

Bewegung in den Bergen gehört zu einem Urlaub am Arlberg dazu. Das birgt aber auch ein Verletzungsrisiko. Direkt im Skigebiet gelegen, ist die sport- und unfallchirurgische Ambulanz von Dr. Rhomberg mit dazugehöriger Tagesklinik die erste Anlaufstelle nach einem Unfall.

Bestens beraten.

Der erste Schritt zur Genesung ist eine exakte Diagnose. Neben modernsten technischen Geräten wie einem offenen MRT-System und einem CT spielt dabei auch der Erfahrungsschatz aus drei Generationen eine wichtige Rolle.

Bestens behandelt.

Im Unfallsanatorium Dr. Rhomberg wird eine breite Palette an Sportverletzungen mit fortschrittlichen, schonenden Verfahren versorgt – von der arthroskopischen Gelenkchirurgie bis hin zur minimalinvasiven Frakturbehandlung. Die operativen Eingriffe erfolgen meist tageschirurgisch, je nach Verletzung sind auch längere stationäre Aufenthalte möglich.

Bestens betreut.

Die professionelle Nachbehandlung erfolgt in der direkt im Haus befindlichen Physiotherapie-Praxis von Astrid Rhomberg, MAS. So kann der Urlaub unweit des Hotels und der Familie in angenehmer Atmosphäre und in einem komfortablen Zimmer mit Blick über die Berge fortgesetzt werden.

Wirklich erholsam wird der Aufenthalt aber vor allem dadurch, dass man sich nicht nur in einer schönen Umgebung weiß, sondern auch in den besten Händen.

Events

It is tempting to say, of course, that the most colourful events Lech Zürs has to offer are all about skiing. But that's not true at all. A quick glance at the village's event calendar again reveals the many facets of this chic mountain village. From the season opening with the European Media Summit to the Arlberg Weinberg event, the epic White Ring Race and the Tanzcafé Arlberg, winters here are packed with highlights.

For the community of Lech, Lech Zürs Tourismus and local businesses, health and safety are paramount. That's why we want to make our winter events as safe as possible for you, while still offering you enough culture, cuisine and entertainment for a memorable holiday. It is important to observe, comply with and respect the generally applicable health and safety guidelines. We have therefore developed tailored health & safety measures for all events. Detailed information and current info for each event as well as the current weekly programme is available on our website. <https://www.lechzuers.com/en/culture-and-lifestyle/events>.

SKIING, FREERIDING & FREESTYLING

Skiing fun perfected

The legend of the Arlberg is based on the region's whole-hearted devotion to skiing. Snow White has paid a visit! White is and always be will the favourite colour of skiing enthusiasts who include locals as well as guests. The key to all-round happiness is the Ski Arlberg Ski Pass, a ticket that grants access to all 88 cable cars, over 300 kilometres of ski runs and more than 200 km of powder snow runs across the entire Arlberg region.

A new dimension of skiing

Our great passion for skiing has been burning in the Arlberg region for over 100 years. In addition to being the birthplace of Alpine skiing, Ski Arlberg's incredible size and high quality in all aspects will impress you. With the construction of the Flexenbahn cable car in 2016, Ski Arlberg became the largest contiguous ski area in Austria and one of the 5 largest ski resorts in the world with 88 lifts and more than 300 kilometres of downhill ski runs. Two of the 88 cable cars were upgraded in the summer of 2021.

LATEST NEWS FROM LECH ZÜRS

The Zugerberg and Madloch chairlifts, two central connecting lifts between Lech/Oberlech, Zürs and Zug, will be replaced by two state-of-the-art cable cars from the 2021/22 winter season. In future, a new 10-passenger gondola lift will transport guests up to the Zugerberg mountain while the new Madlochjoch 6-seater chairlift will provide a major upgrade to the ski resort.

SKI ARLBERG ONLINE SHOP/ HOTEL TICKET SALES

Ski tickets for the Arlberg ski area can additionally now be purchased conveniently from home at www.skiarlberg.at or via the Ski Arlberg app. They can then be picked up at one of the numerous pick-up boxes located throughout the ski area. It is still possible for holiday guests to purchase their ski passes at their accommodation.

FREERIDING PARADISE

Let this number sink in for a moment: nine meters of fresh snow. This is the amount of snow which has fallen on average on the Arlberg since 1946/47. The combination of naturally abundant snow, variety of powder snow routes and increased safety thanks to the densely forested areas attract off-piste enthusiasts: the Arlberg is extremely popular among freeriders for good reason.

SNOWPARK

At a size of 3.6 hectares, the Snowpark Lech boasts numerous obstacles, all carefully shaped by the park's crew every day with the same passion the riders later dedicate to perfecting their tricks. Located at 1600 metres above sea level, the Snowpark meets the requirements of both professionals and beginners. The Fun-Run provides novices with ample opportunities to practise their first jumps and tricks while the Rail and Kicker Line are intended for advanced snowboarders and freestylers who wish to improve their skills.

AN EXCLUSIVE VINTAGE FOR SPECIAL OCCASIONS

Lech Festival Wine

Every year, Lech's restaurateurs and sommeliers select for their guests the "Lech Festival Wine" from the Lower Austrian Weinviertel region. Beyond the Arlberg region, this culinary cooperation has also linked Lech's partner towns of Beaver Creek (USA), Kampen on the island Sylt (Germany) and Hakuba near Nagano (Japan) for over 25 years.

THE WINNING WINES

An independent jury selects the winning Weinviertel DAC wines in the Grüner Veltliner and Zweigelt categories, together with red wine cuvée. The project, which falls under the authority of the Probus winemakers' initiative run by Generali, is conducted in collaboration with the regional wine committee of the Weinviertel itself and the Weinstrasse Weinviertel association.

GRÜNER VELTLINER, A SPICY AND PEPPERY DELIGHT

The Lech Festival Wine – Weinviertel DAC – is closely connected to the Grüner Veltliner grape variety. This

Weinviertel DAC is the typical wine of the Weinviertel region, which is the largest of its kind in Austria. It is easy to distinguish on account of its light to greenish-yellow colour and its spicy, peppery and mildly fruity taste. The DAC label denotes typical regional taste and guaranteed origin.

HOLIDAY MEMORIES BY THE GLASS

Enjoy the Lech Festival Wine in the restaurants and bars of the region. You can also purchase it in a beautiful gift box from Vinothek Pfefferkorn enoteca as a memento of your wonderful holiday in Lech.
