Friends and Fools Dinner x Weingut Adank

Switzerland is known for many things. But unfortunately still too little for its excellent wine. For this reason, we bring for you one of the most up-and-coming wineries in Switzerland to us in the Friends and Fools Lounge and will accompany a dinner with its wines.

We are talking about the ADANK winery. More precisely, comes the son of the winery, Patrick Adank.

If you are now wondering who that is, there you go:

Patrick has completed several internships after training as an oenologist in Geisenheim (Germany) and Dijon (France). These include:

Sylvain Cathiard in Vosne-Romanée

Etienne Sauzet in Puligny-Montrachet

Fromm winery in New Zealand

Klaus-Peter Keller in Rheinhessen (Germany)

He acquired the skills for making sparkling wine in Champagne with Raphaël and Vincent Bérêche in Ludes. In 2018, Patrick joined the winery and has been a key driving force ever since. The philosophy of Adank Winery is: our wines should tell STORIES of our SOILS, our PLACES, our FATHERS and of our CRAFT. For this we LIVE - DAY by DAY!

- 18:00** **Dinner with a Masterclass about Lamb and Fermentation**
Immerse yourself in the world of fermentation, seltzer, craft & flavors. Into the world of Friends and Fools. Tobias Schöpf, Head of Rote Wand Manufaktur and Jamie Unshelm Head of Culinary Lab present you this week all about: lamb, fermentation, koji. And what exactly do they do? Tobias will dissect a lamb in front of you and explain everything about this animal. On the other hand, Jamie Unshelm, head of the Culinary Lab, will show you what types of fermentation there are and what koji is all about.
Minor spoiler. Koji is THE mold.
Afterwards, a dinner made from the topics and products covered will be prepared before your eyes. Experience dinner in a new way with us at Friends and Fools Lounge.
