FEDERSPIEL "Blasmusik losgelöst von Erwartungshaltungen"

FEDERSPIEL 'Brass music detached from expectations'. 20 years of Federspiel – time to celebrate! Two decades full of music, friendship and unforgettable moments on and behind the stage. As an artistic heavyweight with feather-light compositions in its repertoire, the ensemble has long been performing on major concert stages worldwide. In hundreds of concerts from the Elbphilharmonie to the Vienna Konzerthaus, Federspiel has developed its own musical language at the intersection of tradition and modernity, establishing itself as one of the most innovative ensembles on the European brass music scene. With new compositions in the typical Federspiel sound, but of course also with favourite pieces and anecdotes from times gone by, Federspiel is celebrating its anniversary as a festival for itself and its audience.

Looking back together, reminiscing and yet joyfully embracing the future!
