Alpine Bathing – Mindful Winter Immersion

Experience the landscape at its quietest and most beautiful. Together, we venture out into the nature surrounding the hotel – to places where silence reigns and invites us to pause and simply be.

Walking mindfully in silence along paths and fields, we feel the ground beneath our feet, breathe in the clear air, and leave everyday life behind step by step. Every movement, every breath becomes a gentle meditation in nature – whether the paths are covered in snowflakes or the landscape reveals itself in peaceful hues.

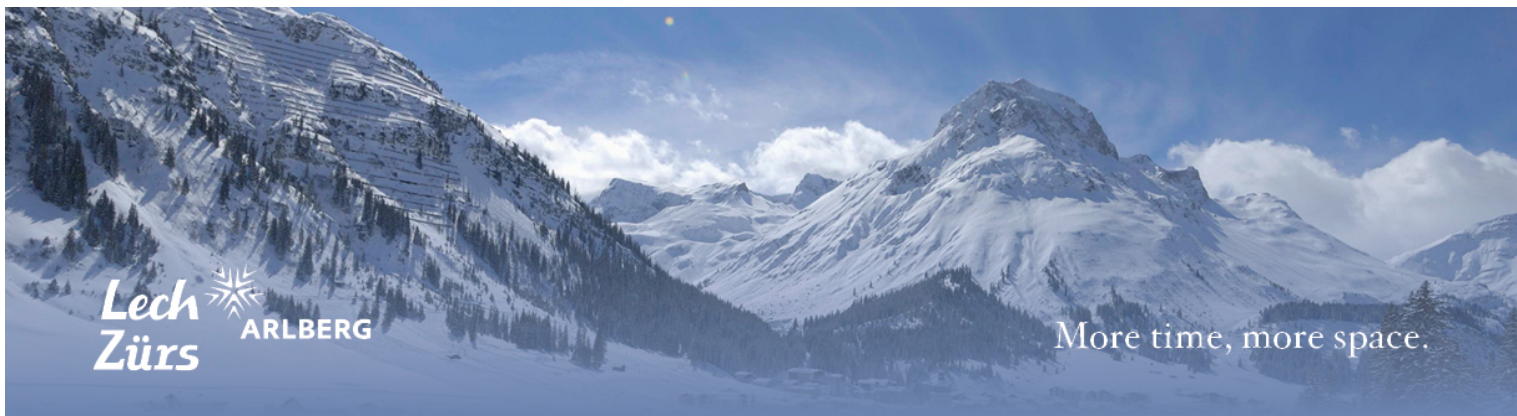

This soft experience offers calm, presence, and a deep sense of connection – with yourself and with the surrounding nature. No athletic ambition, no rush – just you, nature, and the quiet power of the moment.

Curated sounds meet snow-capped peaks
Whether on the dance floor in the middle of the snow, in front of the impressive mountain backdrop or in the hotel lounge in the evening: since 2013, the Tanzcafé Arlberg Music Festival has been offering the perfect opportunity to combine sun skiing with unique musical highlights. Where else can you find endless ski runs just a turn away from exciting concert stages and magnetically attractive dance floors? This unique music and dance spectacle makes the Arlberg resound and unites the towns of Lech, Zürs and St. Anton with its mountain-moving mix. From catchy pop songs to multifaceted singer-songwriter sounds, groovy jazz and regional dialect pop to pulsating electronic sounds and rousing DJ sets – here, sound and mountain world merge into an unmistakable festival experience.
