Tanzcafé Arlberg - Music Festival

Curated sounds meet snow-capped peaks
Whether on the dance floor in the middle of the snow, in front of the impressive mountain backdrop or in the hotel lounge in the evening: since 2013, the Tanzcafé Arlberg Music Festival has been offering the perfect opportunity to combine sun skiing with unique musical highlights. Where else can you find endless ski runs just a turn away from exciting concert stages and magnetically attractive dance floors? This unique music and dance spectacle makes the Arlberg resound and unites the towns of Lech, Zürs and St. Anton with its mountain-moving mix. From catchy pop songs to multifaceted singer-songwriter sounds, groovy jazz and regional dialect pop to pulsating electronic sounds and rousing DJ sets – here, sound and mountain world merge into an unmistakable festival experience. As a special festival privilege, all concerts are free to attend and create extraordinary musical experiences against the impressive high mountain backdrop of the Arlberg.
